This paper is filed pursuant to a telephone request of the examiner, May 19, 2005.

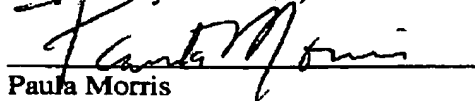

The examiner requested copies of certain references that were the subject of a petition to withdraw the application from issue in the case. Applicant explained that the full copy of the South African reference (cited by the examiner) was difficult to obtain and that the reference was not expected to be received from Micropatent until June.

The examiner asked Applicant to file the a Request to Suspend Issuance of Office Action until Applicant has submitted the South African reference, under 37 C.F.R. § 1.103(a). Good cause exist for such suspension, as explained above.

any fees in connection with this response, or to credit any overpayment, to Deposit
